

TID-229/64  
30 November 1964

MEMORANDUM FOR: Assistant for Plans and Development Staff, NPIC

25X1A

ATTENTION: [REDACTED]

SUBJECT: Proposal For The Design and Manufacture of a  
Film Editing Table

1. Of the proposals submitted for the design and manufacture of subject table, the [REDACTED], which quoted the lowest price, appears to be the most acceptable.

25X1A

2. It is recommended that [REDACTED] be awarded the contract. However, it is strongly recommended that the proposal be modified in paragraph 11 so that four swivel casters be provided, two at either end. Because of the heavy film loads involved in our editing it is felt that four casters would provide a more stable platform. Our original correspondence inviting bids assumed a four caster design.
